Seventy2 Capital Celebrates \$2 billion AUM* Milestone on Fifth Anniversary

BETHESDA, MD – December 14, 2021: This month marks the fifth anniversary of [Seventy2 Capital Wealth Management](#). For the founders, Paul Carlson and Thomas Fautrel, it is a double celebration as they are also pleased to announce having reached \$2 billion of Assets Under Management (AUM).*

“These are meaningful milestones. Growing from \$200 million of AUM in 2016 to \$2 billion of AUM this year - fills me with immense gratitude,” reflected Paul Carlson. He asserted, “We recognize that the trust bestowed on us by financial advisors and our clients is a critical factor in our growth.”

“We have built a solid foundation over the past five years and the road ahead looks exciting,” said Thomas Fautrel. He added, “I am grateful for the dedication, commitment and hard work of our advisors. I am equally grateful for the clients we get to work with every day.”

As financial advisors with decades of experience, the founders felt stifled by the wirehouse model and set out to build an agile team. Over the years, their focus has remained on providing solid investment strategies customized to each client’s financial objectives.
