Jay Quimby is a Registered Wealth Associate in the Tysons Corner, Virginia office. He provides precise and thoughtful service to clients. Jay has a deep understanding of the tools and strategies to deliver high-level, personalized investment strategies to clients and believes that client satisfaction should drive every decision he makes.

Jay's daily responsibilities include opening accounts, reporting, performing asset transfers, making fund disbursements, and handling other client operations. Prior to joining Seventy2 Capital, Jay worked in a similar capacity at Wells Fargo Advisors, and has completed exams for his SIE, Series 7, and Series 66 registrations.

Jay has a unique and diverse background, starting his early life growing up in Hong Kong and Beijing. He then attended the College of William & Mary, where he double majored in Chinese Studies and Government. He was also President of the college's Table Tennis Club and led the team to their first national competition. Jay currently resides in Haymarket, Virginia, where he still enjoys playing table tennis in his spare time.
